

Boucle de la tête du cheval

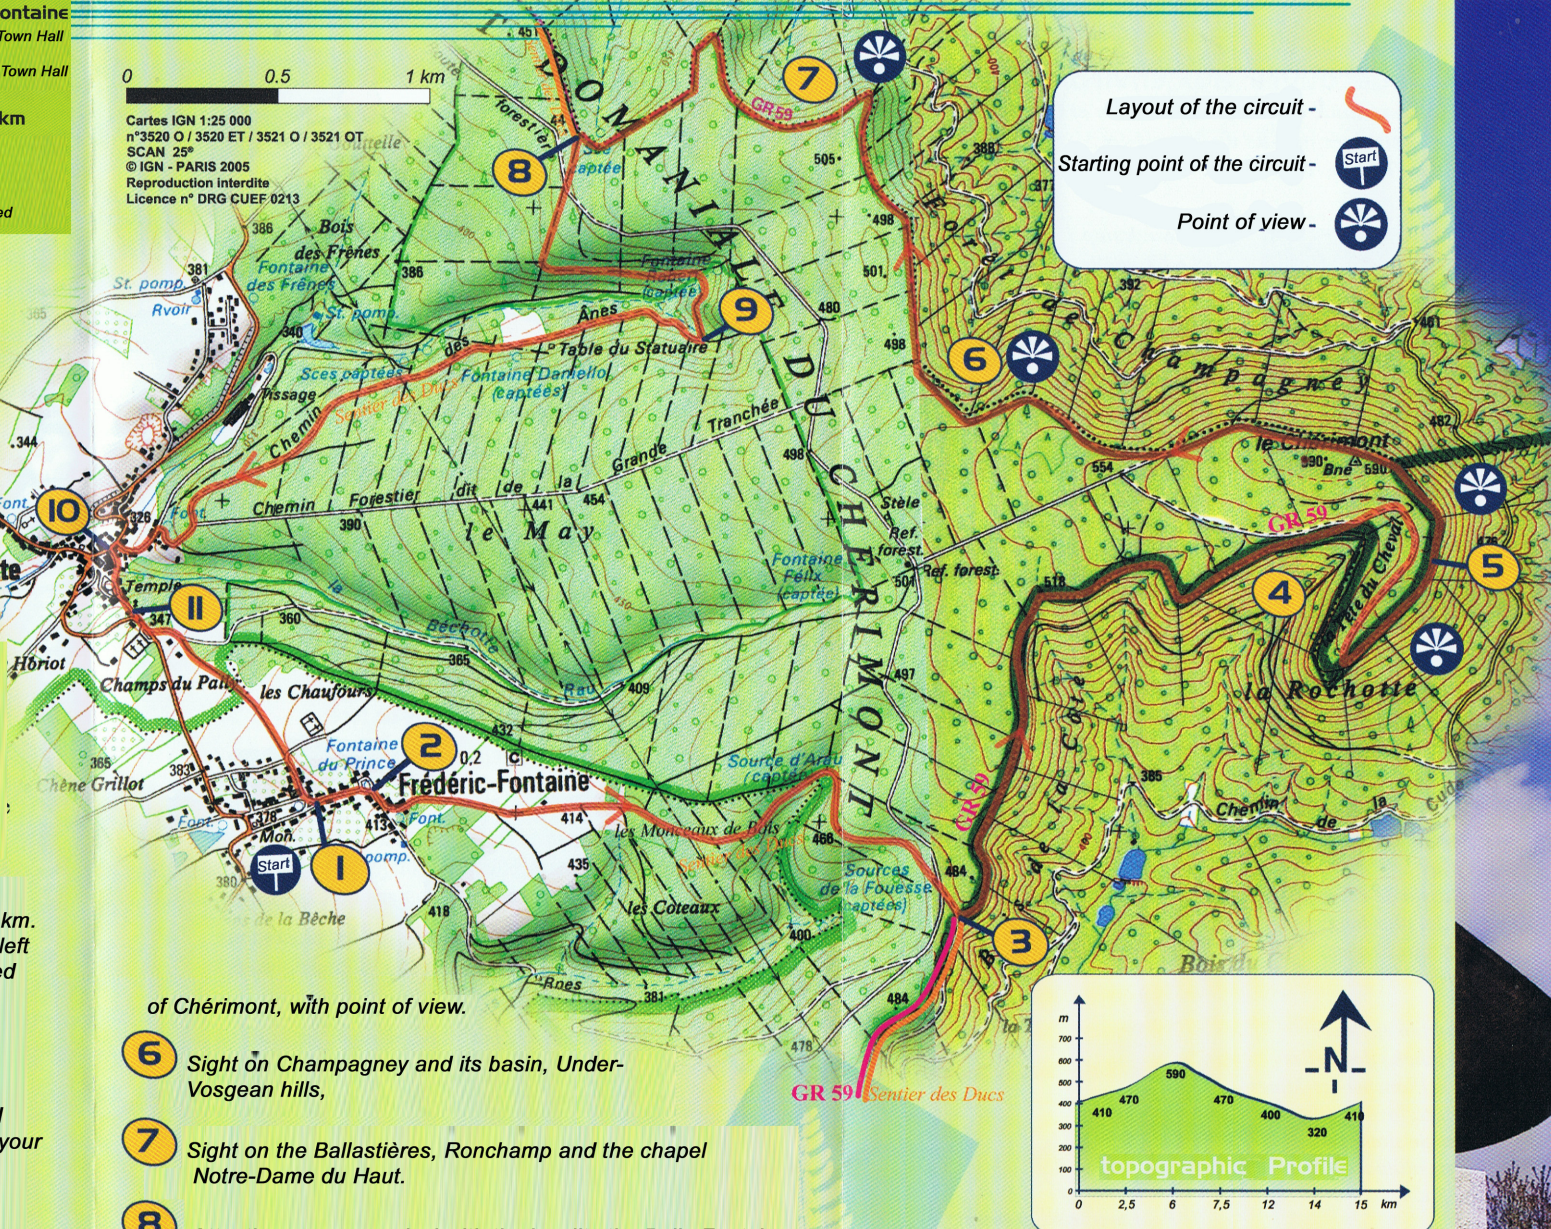

Buckle head of horse - This route of 15 km does not present any particular difficulty. It is decorated with various points of view and will make you discover the villages of wood: Frédéric-Fontaine and Clairegoutte, as well as the National forest of Chérimont.

Access: by D438 in direction of Héricourt from Lure, or by D4 since Ronchamp by Clairegoutte.

- 1** The carpark and the departure are located in front of the Town hall of Frédéric-Fontaine. Observe the unit architectural Temple - Town hall - Schools (which is unique/alone in France). Go up in the village while following the beacons of the Sentiers des Ducs (yellow rhombuses), observe one of the eight fountains of the village on your left.
- 2** The famous Fountain of the Prince. Continue Etobon direction on approximately 1,5 km. With crossroads, be unaware of the roads on the left and on the right while going straight on a hundred of meters.
- 3** Leave the Path of the Dukes to borrow the GR59 on the left. Direction the Head of Horse. You then have the National forest on your left and the Communal Forest of Etobon in the slope on your line, with sight on the village and the hillock of the castle of Etobon. Follow this path on approximately 1,5 km.
- 4** You arrive at the stele of the scrub of Chérimont. Continue to follow the GR59 on the forest road, to arrive at the panorama of the Tête de Cheval (Head of Horse) with sight on Belfort Gap and the Vosges Saônoises.
- 5** Then follow the path separating Communal Forest from Champagny and National forest
