

## COMMUNAUTE DES COMMUNES RAHIN ET CHÉRIMONT FISHING RULES

### ARTICLE 1

The Communauté de Communes Rahin et Chérumont (CCRC) owns the two so called « Ballastières » lakes and exclusively manages the fishing.

The CCRC is not taken responsible for

- Non-compliance of the present rules
- Accidents
- Thefts

(Suffered by fishers or other people around the lakes)

### ARTICLE 2

Fishing right in the lakes can only take place if the fisher has a annual, monthly or daily fishing license. Any fisher with a permit is allowed to fish with max 4 fishing rods.

The gap between 2 fishing rods can't exceed 2 meters. Any fishing rod that is being used, but out of its owner sight, will be considered as abandoned and will be taken by the fishery officer.

### ARTICLE 3

The price of the membership card is reviewed annually by the CCRC.

Fishing is free for children under 14 years of CAMPING and OUTDOORS. Fishing allowed only one rod included in those of his companion, no additional rod is accepted. Warning! Children under 14 must be accompanied by an adult.

The cards will be sold by the CCRC. ID required.

### ARTICLE 4

The Ballastières are private lakes, all people who want to fish has to buy a fishing card from the owners: Communauté de communes Rahin et Chérumont. This fishing cards is a contract between the CCRC and the fisherman. The fisherman has to respect theses fishing rules. Anyone doesn't respect the rules; he will be excluded without any payback. Anyone who has been controlled without a permit will be liable for the right to fish for 24 hours.

### ARTICLE 5

For any night fishing, tents and other equipment need to stay discreet and should never obstruct the walking path. Just Biwys, fishing tent and fishing umbrella are allowed. Another tent or shelters are forbidden. No camping for people who are not fishing around the lakes. Please limit noise pollution around the campsite.

### ARTICLE 6

Fishers have to park on the car parks and not on the walking paths.

### ARTICLE 7

Any arrangement at the water's edge is forbidden. The CCRC is not taken responsible for accidents that can occur on these constructions. Careful! In case of non-respect of the article 6, the wrongdoer will be permanently excluded.

### ARTICLE 8

#### MINIMUM / MAXIMUM SIZE FOR CATCHES:

(All these measures are done on the whole fish — below these measures, direct release to water)

- Pike: Min. 60cm – Max. 80cm — Sander: Min. 50cm – Max. 70cm — Trout: 25cm — Perch: Min. 25 cm – Max. 35cm
- Sturgeon: immediate release after weighing
- Black bass: immediate release

NO-KILL for carps over 4kg (scale compulsory and reception mat for white fish).

Complete NO-KILL during night fishing (day and night included). Immediate release.

- Tench fish NO-KILL.
- Ban on crayfish fishing off-day event.

#### Limits for daily catches:

- Carnivore fishes: 2 (any, perch excluded)
- Carps: 3
- Perch: 10

### ARTICLE 9

Collection, gift, exchange or sell of fish is forbidden around the lakes, in the campsite or in the car parks.

The keep net must be personal, left into the water next to the fisher. It must be emptied after each day of fishing.

It is strictly forbidden to cut up the caught fishes around the lakes and during the fishing.

### ARTICLE 10

#### **BANS:**

- To enter the campsite (access is only for campers)
- To camp outside the camping site (see the municipal decree from May 12<sup>th</sup> 2005) when not night fishing
- To build any construction
- To delimit a pitch with strings or any other object
- To let any waste at the water edge
- To light a fire on the ground (mobile barbecue allowed unless prefectural regulations do not allow it)
  - To put any tree branches or anything else in the water to attract carnivore fishes
- To fish in signaled delimited zones (reserve)
- To navigate in small boats
- To mark fishes with mutilation or any other means
- To fish outside the authorised period in the area on either side of the beach (picnic area)
- to use echo sounders, deepsounders or radio-controlled bait boats, tube floats or boilie guns outside the event day;
- To bait disproportionately, with boilies or flour
- To use wreathed leaders even wrapped and to fish with more than one leader per line
- To enter the water too far to throw (fishing rod length allowed max)
- To fish with a double or triple hook any species of white fish
- Wreath on reel forbidden (start of the line 5 meters allowed max)
- To fish from his vehicle, it must be parked in the car parks intended for this purpose.
- To park in emergency spaces reserved for firefighters' rescue boats. The areas concerned are the landing stage at the Chevanel pond and the access to the white barrier at the Breuil pond.
- To park in front of the white barrier at the pond Breuil.

**Careful: Any violation is subject to exclusion**

### ARTICLE 11

For fishermen outside the CCRC: Night fishing by invitation of a CCRC or camping card holder and if problem: exclusion of the cardholder and the guest.

## ARTICLE 12

In order to preserve the biodiversity of the lakes and to limit the presence of cyanobacteria, the priming is limited to 1,500kg / 24h. Fishing guards are authorized to control your bait, including the use of properly cooked seeds.

## ARTICLE 13

Control can be done by the fishery officer can occur at the fishing place, but also on the car parks.

## ARTICLE 14

Animals must be kept with the leach. In case of major accident (bite, deterioration of material, destruction of the aquatic fauna...) on the water's edge of the Ballastières, the owner can be excluded from the site (after noticing of the CCRC members).

## ARTICLE 15

### SPECIFIC CLOSURES:

- Pikes and sanders: closure from the last Sunday of January until the last Sunday of April.
- From November 1<sup>st</sup>, closure fishing can be displayed, for protection of the autumn fish rearing.
  - Fishing is prohibited all year round in the reserve (black zone), on the beach and along the campsite. Anglers in the yellow or green zone must therefore fish with their rods perpendicular to the bank so as not to fish in the black zone.
- Fishing is forbidden on the Breuil pond in the yellow zone from 16 June to 15 September.

### SPECIFIC OPENING

Fishing authorised from 16 September to 15 June on both sides of the beach, areas marked with signs. Rods perpendicular to the bank.
